FOR RESEARCHERS

UPGRADED MENDELEY FEATURES

Including 100GB personal storage, 100GB team storage and unlimited groups with up to 100 collaborators.

REFERENCE MANAGEMENT

A powerful reference management tool to store, read, annotate and cite literature both individually and collaboratively anywhere on any device.

RESEARCH NETWORK

One global community trusted by over 6+ million researchers in all fields with thousands of groups that make it easier to discover research, follow curated bibliographies and get involved in discussions.

CLOUD-BASED DATA REPOSITORY

Mendeley Data is a secure cloud-based repository where researchers can store their data, ensuring it is easy to share, access and cite.

CAREERS

Mendeley Careers allows researchers to search for science and technology jobs in institutions worldwide.

MONITOR USAGE

Institutional customers gain access to an institutional analytics dashboard which delivers real-time content usage insights enabling better resource management.

SUPPORT COLLABORATION

With unlimited groups and storage, librarians can create and run groups to deliver assignment-related assistance and manage libraries of reference material.

IMPORT LIBRARIES FROM OTHER REFERENCE MANAGERS

It's extremely easy to import full libraries to Mendeley from other reference managers, so one reference manager can host all researcher's material.

PROMOTION AND TRAINING SUPPORT

A dedicated team will help promote Mendeley, ensuring rapid adoption. Ask about our train-the-trainer workshops and best practices.

ALUMNI POLICY

For 12 months after they leave, subject to institutions approval, alumni have the right to access Mendeley.
